Designing Professional Development

Designing Professional Development For Teachers Of Science And Mathematics Has Taken on a life of its own. We are professional developers. As such, we knew that writing the book was only the beginning, the easy part, as Susan Loucks-Horsley would say. The hard part, the "real work," was getting it used well. For the past five years, we have been on the ground actively disseminating the ideas in ... Jul 22th, 2020
