Laparoscopic Colorectal Surgery: Why, When, How?

Laparoscopic Surgery Has Spread Tremendously In Gastroin-testinal Surgery. Within A Few Years, There Was Widespread Adoption Of Laparoscopy As The Standard Surgical Approach In A Growing Number Of Pathologies. However, For Col-orectal Surgery, The Uptake Of Laparoscopy Has Been Dra-matically Slower. One Explanation Is That Laparoscopic Colorectal Resection Is A Technically Complex Procedure ...
